**Team biography:**

Patrice McDonald

Non-Executive Director

As Chair of our Risk Committee, Patrice focuses on helping CivilisedBank to meet its regulatory capital requirements and develop technology and operations platform ahead of our launch in 2017.

Patrice is a highly experienced risk and regulatory expert with over 20 years' track record in investment, business and retail banking, as well as across wealth and asset management.

A former Managing Director, Global Chief Risk Officer & Head of Governance at Barclays Wealth, Patrice has been lead adviser and partner in the Financial Services Risk and Regulatory practice at EY and has advised the boards of many of the largest UK and International financial services groups. Through her experience in managing financial services companies she is well versed in strategy, corporate governance, technology and major programme management.

She is also an adviser and contributor to Board Agenda, which provides briefings for boards on Governance, Strategy, Risk, and Ethics.
